

And now, Admonition.

Isaiah chapter 53 speaks of a lamb, a lamb taken to the slaughter, a lamb put to death for our sins. But here in verse six we read this, All we like sheep have gone astray. We have turned every one to his own way, and the Lord has laid on him. Who? The lamb. The iniquity of us all. You can't go your way without a cost, and Jesus paid the cost. Will you change and go God's way? Give it some thought today. Go God's way.
