

And now, Admonition, brought to you by the Collierville Church of Christ.

Deuteronomy chapter one verse 13 we read, Choose wise, understanding, and knowledgeable men from among the tribes, and I will make them heads over you. This is a command to Moses from God saying you pick out individuals from among Israel to be their leaders, to be their judges. This goes back to Exodus chapter 18 where Jethro gives him this advice. The point is, these are the kind of people you're looking for as a leader. If your job is to find leaders, find these kind of wise, understanding, and knowledgeable men.
