

And now, admonition.

Deuteronomy chapter three verse 18 we read, then I commanded you at that time, saying the Lord your God has given you all this land to possess. All you men of Valor shall cross over armed before your brethren, the children of Israel, but your wives, your little ones and your livestock, I know that you have much livestock, shall stay in your cities, which I have given you, until the Lord has given rest to your brother and as to you. God tells the two and a half tribes that will stay and live on the other side of the Jordan River, You don't get to stay over here while your brethren go and fight to take the Promised Land that I promised to you.

We need to learn to prioritize others above ourselves. We need to learn that when others are still working, are still laboring. We don't need to be sitting back doing nothing. We need to be helping our brethren in the work.
