

And now, Admonition.

Have you ever asked the question, can I disobey God? It may seem like a question that doesn't even need to be asked, but the simple reality is there are those who believe you can not disobey God and there be any consequences or that even God cares about disobedience. But the fact of the matter is, Jesus in Matthew Chapter 15 verse three, he says, why do you also transgress the commandment of God because of your traditions? Jesus says, it is not only possible to transgress the commandment of God, but if you look through the remainder of the context, you're going to find out that Jesus considers that a very great offense, as a sin, as a matter of fact -- as something that will destroy our relationship with God.

You can transgress the law of God, you can sin, and you will be held accountable for that sin.
