

1 And now, Admonition, brought to you by the Collierville Church of Christ.

2

3 What changes are supposed to happen when you become a Christian?

4

5 One of them is, your mind is supposed to change because the person living inside of you is supposed to change. Ephesians, Chapter four, Verse 23 says, "And be renewed in the spirit of your mind. And that you put on the new man which was created according to God in true righteousness and holiness."

6

7 When a person is baptized into Christ, when they are immersed in water, they die and they are resurrected again to a new life. They come up out of that water, a new person and they're supposed to change. They're supposed to live differently.

8

9 When you were baptized, did you come out and begin living a new life? Where did you go back to the old one -- think about that today.
