

Your Daily Admonition

Ephesians 5:2 And walk in love, as Christ also has loved us and given Himself for us, an offering and a sacrifice to God for a sweet-smelling aroma.

Transcript:

How should we live and how should we walk?

I'm not talking about how you put one foot in front of another. I'm talking about how you interact with others.

Paul says in Ephesians five verse two, ...walk in love, as Christ also has loved us and given Himself for us...

We ought to walk as Christ has showed us the pattern.
