Ephesians 5:11 - And have no fellowship with the unfruitful works of darkness, but rather expose them.

## **Transcript:**

How should you interact with people who are doing what's wrong?

I'm not talking about every moment of every day, every time you see someone doing what's wrong, but generally speaking.

How do you interact with the people who are doing wrong things around you and encouraging you to do them as well?

Paul says, in Ephesians chapter five, verse 11, And have no fellowship with the unfruitful works of darkness but rather expose them.

Don't cover up other people's wrongdoing. Shine the light of God today.

I hope the light of God is in you, today. For more from the Collierville Church of Christ, visit [www.colliervillecoc.org](http://www.colliervillecoc.org).
