

## Your Daily Admonition

Ephesians 5:9 And have no fellowship with the unfruitful works of darkness, but rather expose them. For it is shameful even to speak of those things which are done by them in secret.

### **Transcript:**

When people live in a way where they want to keep the things that they're doing a secret, that's a good indicator that you don't need to be around them.

In Ephesians, chapter five, verse 11, Paul says, And have no fellowship with the unfruitful works of darkness but rather expose them. For it is shameful even to speak of those things which are done by them in secret.

There are people doing things in secret that Christians have no business being involved in. Stay away from them.

I hope the light of God is in you, today. For more from the Collierville Church of Christ, visit [www.colliervillecoc.org](http://www.colliervillecoc.org).
