

And now, Admonition.

What's wrong with getting drunk? What's wrong with just having a good time? One thing that I know is wrong with it is what we read in Ephesians chapter five. Ephesians chapter five, verse 17 and 18, therefore do not be unwise, but understand what the will of the Lord is and do not be drunk with wine in which is dissipation, but be filled with the Spirit.

Paul says that when you're filled with alcohol, you can't be filled with the Spirit of God. They don't stay in the same place at the same time. Consider what you want to be filled with today. For more from the Collierville church of Christ, visit Collierville coc.org.
