

And now Admonition.

What does it mean to honor your father and your mother? In Ephesians chapter six, and in verse one, we read, Children, obey your parents in the Lord for this is right. Verse two says, Honor, your father and your mother, which is the first commandment with promise.

One of the examples of understanding this is given when Jesus tells the Jews, they were not honoring their parents as they ought, because they were not providing for them in their old age. We need to be sure to honor our parents, which includes providing for them when they're old. Do you honor your parents? I hope you do.
